

LEVELINE Day School Newsletter

12th December 2014

Dear Parents,

We all hope that you enjoyed our Christmas Concert on Friday 5th December. The students sang beautifully and gave us all an exceptional performance. It was wonderful to see so many families and friends in the audience. Thank you for all your support in taking the time to come and see the concert and also for buying tickets for our raffle. The proceeds will be used towards our Christmas party this afternoon. Father Christmas will be visiting today with a surprise entertainer full of music and dancing.

We would like to take this opportunity to wish you and your families a very Merry Christmas and a Happy New Year 2015.

The Netball Report

On the 9th December 2014 EDS Year 4 and Senior girls all had a netball match at our rival school St Anselms. Unfortunately their Year 5 & 6 girls beat us, but it was a close match and all the girls played really well.

The EDS girls were split into 2 teams, the White team and the Blue team. The White team had: Olivia(Captain),Katie, Maisie, Madeline, Isla, Sara and Isabel. The Blue team had: Emmylou(Captain), Anya, Giada, Amelia, Alice, Elodie, Jadyn, Tabitha and Verity.

Each team played three matches out of six. In the first game EDS won 1-0. Isabel Putley-Hines played excellently as goalkeeper as nearly every ball she intercepted then fed it out to our brilliant goal defence Maisie Waddup. Isla Griffen managed to get in front of her marker many times to get the ball. Madeline Archer was fantastic at receiving the ball and making space. Katie Hollinghurst was amazing at seeing where to run to get the ball and was great at shooting. Sara Peel was a super wing defence and beat her defender to the ball the majority of the time. Olivia Walker was on top of her game with her shooting and gave some great passes to her fellow team mates. In our first game everyone played superbly and carried on like this for the rest of the White team's matches!

The Blue team also had a great set of matches coming away with some valuable team experience. Yet again everyone in this team played exceptionally well. Emmylou Lloyd-Tucker scored a crucial goal and worked very hard to keep the ball moving into the D area. Anya Tomlins-Young supported the team heroically and also caught some great balls. Giada Magi ran circles around her defender! Amelia Molloy threw amazing balls to the whole team and dodged her defenders easily. Alice Dorans made some excellent passes and received the ball exceedingly well. Elodie Moore demonstrated some super attacking play and great defence. Jadyn Ohis beat her defender to the ball plenty of times and took a range of fantastic shots. Tabitha Hopper prevented the opposing team receiving many passes and stuck like glue to her defender. Verity Highe played extremely well doing anything to risk her marker getting their hands on the ball. The whole Blue team played really well and we were all very proud of them.

Being Captain, I am very proud of both teams and I think that even though we lost it was not a 'the best team won' situation. I would like to thank Miss Wills for coaching us and Miss Pedder for cheering us on.

I think we all took away a valuable lesson from this and will enjoy having another match against St Anselms.

EDS Football Match Report

The Eveline Day School football team, led by inspirational captain Thomas, can be extremely proud of themselves after producing a magnificent, battling display against St. Anselm's School. The match ended 3-1 to St. Anselm's, but the EDS boys can consider themselves extremely unlucky to come away without at least a draw.

In a tight first half, the team defended heroically to keep the opposition at bay, and we reached half-time with a deserved 0-0 score line. After the break it took an inspired performance from the St. Anselm's goalkeeper to keep them in the game as Thomas, Jack and Archie fired numerous shots upon goal.

Unfortunately St. Anselm's, albeit against the run of play, took the lead with a good team goal. Goalkeeper Luca made a string of impressive saves before 2 more goals gave the opposition a 3-0 lead. Alex, Arish, Joseph and Casper made some brilliant tackles and clearances, and the whole team passed the ball well.

In the dying seconds, the children's hard work paid off when Thomas lashed a fierce finish to eventually beat the outstanding opposition keeper. The team played exceptionally well and are growing together each game. We are proud of them!

Sports Leadership Report

On Monday 8th December 2014 the Seniors were getting ready for Sports Leader's lesson guided by Miss Wills. We had to take Year 1 and Year 2 for a Mini Sports Festival. This included different sports activities i.e. "Army crawl" and "Hop and Jump". There were five groups, the Lollipops, Super Kids, Galaxies, Chocolate Stars and the Merry's they were all competing against each other. They had to gain points at each activity. The Team Leader's job was to take the teams around the sports activities and see how many points they could score.

At the start the young children came out feeling very excited about what was in front of them. Thomas, the competition coordinator, ran a huge 'warm up' for everyone. He said that he found it "very challenging, to make sure that everyone was doing what they were supposed to do." The young children loved every second of it. The results were very close at the end but the Lollipops won!! All of the Seniors agreed that the lessons went very well and we are all looking forward to doing it again for the Lower and Upper Reception classes.
