

Years 3 to 6

Spanish Language is three-year course with the aim of introducing Spanish and providing progression after leaving the School.

Students are taught once a week for 30 minutes and our aim is to help young learners to enjoy first steps in Primary Spanish and to give them the opportunity to learn about everyday life and culture in Spain and Latin America.

Communication it is our main focus but we cover the content -(6 large themes: Hello!, My family and animals, My class, My room and my toys, My body and my clothes), integrating the 4 main skills through simple and well-structured exercises -(work-sheets).

Our students learn through native teacher, recorded CD voiced by native children, songs and games, role-plays, competitions, visual aids -(e.g. "realia") to motivate them to prolong their concentration
